There's so many different worlds  
 So many different suns  
 And we have just one world  
 But we live in different ones

# BORN

# TO RUN

In the day we sweat it out in the streets  
of a runaway American dream  
At night we ride through mansions of  
glory in suicide machines  
Sprung from cages out on Highway 9  
Chrome wheeled, fuel injected  
And steppin' out over the line  
Baby this town rips the bones from your back  
It's a death trap, it's a suicide rap  
We gotta get out while we're young  
'Cause tramps like us, baby we were born to run

Wendy, let me in, I wanna be your friend  
I want to guard your dreams and visions  
Just wrap your legs round these velvet rims  
And strap your hands across my engines  
Together we could break this trap  
We'll run till we drop, baby we'll never go back  
Will you walk with me out on the wire  
'Cause baby I'm just a scared and lonely rider  
But I gotta know how it feels  
I want to know if your love is wild  
Girl I want to know if love is real

Beyond the Palace hemi-powered drones  
scream down the boulevard  
The girls comb their hair in rear-view mirrors  
And the boys try to look so hard  
The amusement park rises bold and stark  
Kids are huddled on the beach in a mist  
I wanna die with you out on the streets tonight  
In an everlasting kiss

The highways jammed with broken heroes  
On a last chance power drive  
Everybody's out on the run tonight  
But there's no place left to hide  
Together, Wendy, we can live with the sadness  
I'll love you with all the madness in my soul  
Someday girl, I don't know when,  
we're gonna get to that place  
Where we really want to go  
And we'll walk in the sun  
But till then tramps like us  
Baby we were born to run

# Senior Day

May 6, 1986

The Senior Day took place on May 6, 1986. The purpose of this informal activity was twofold. It was a way of saying goodbye to San Ignacio in a semi-official way. We would no longer be at the school, although our spirit would. (Doesn't that sound breathtaking!) On the other hand, it was also a way to share some time with the faculty with the people who taught us for six years. And in all, it was an exciting afternoon.

## Was it Worth it?

# Definitely

My class is like any other. It has its fair share of nerds, "locos", regulars, rebels, conformists and "cocolos". I'm just here to talk about them. Now we can expose all their faults, eh? Well, just check out a cross section of a class composed of 127 guys. It's people like Edward Larkin, who had quite a scare when he realized he could not escape the draft. It's people like Gustavo Rivera, who I, for one, will never know if he spoke in public. It's people like Luis Gerardo Rodriguez, for who all that matters is some good alcohol and a cigarette or two. And the list continues. Arland Miller and his 12 gauge shotgun (what a blast) The Legumes: Jose Garrido, Manuel Martorell, Antonio Martinez, Carlos Valle, Jose Collazo, Jose Bolivar, Jorge Carlo, Miguel Vazquez and many other proud members of the Veggie Club. Ricardo Gonzalez and his 4.5 million dollar contract for the LA Lakers. It's gente like Ian Carvajal (Alias: Tere) who seem to have nothing better to do except holler like a rhino, drink orange juice (in 5 gallon drums) and drive recklessly. Personas como Jose Sanchez y Alfredo Brugueras, whose love for photography is exceeded only by their love for Taco Maker. And let us not forget that master of public speaking: Noel De Leon. The host of hosts: Eduardo Arias. The person with severe learning disabilities: Salvador Antonetti. Y Quien me va a negar que no a mirado a Guillermo Maduro por lo menos una vez jugando con su pelo? And this has only just begun. Gaston Nogales y su Dodge Aspen, a true model of craftsmanship. La poca seleccion de carros disponibles a Jose Medina. La guagua de Ramon (APV - All Purpose Vehicle). Arland's diesel Rabbit. Las guaguas de Rafa, Luis y Julio. Victor's Space Wagon. The trip to Rocky Roccoco in David's K-car (K for Klassy) What an ill-fated adventure. C'mon guys cut it out. Francisco Campoamor y su "Compicar". The Audi Coupe of Cesar Soto (if it only knew who drove it). Y las fiestas? En la cancha. En Torrimar En casa de Alfredo Diaz. In the Kevane Mansion. En el Patio del Fauno. Las pequenas observaciones: Los brazos de Osvaldo Izquierdo, las manos de De James, la barba de Pucho, el "physique" de Manuel. Joey Riera and The Wall Street Journal. Los cassettes de Javier Isturiz. Fernando y su "yellow machine (R.I.P.). I still have not cut anyone down yet. Who can forget Piero Garzaro: the social animal. Jose Ledesma and his pseudo-rebel attitudes. Carlos Cobian and his ability to make you want to bash his head in. Eric Peguero, ganador de Mr Right 1986 en Atlanta Georgia. Mas animals sociales: Avelino Gonzalez, Carlos Tejeda, Eduardo Muniz y Jose Ramos. Joaquin (Juaco) - el hombre, la personalidad, la figura. The computer kids: Rafael Hidalgo y Pedro Otero. Pinky y sus "aaaaahhs" en cualquier momento del dia. Fernando Torres y Jesus Cantalapiedra; the buddy system. Delpi y su jacket Neon. El fantasma de la clase Manuel Casellas (no me lo niegues). Y que de esos ex-ignacianos? Miguel Criscuolo, Hugo Garcia, Fernando Arzola y Jorge Reyes? Where are they? El misterio de la clase: Francisco Rodriguez. Igor Tirado y Gold's Gym Quien es Francisco Garcia? David Munoz y Jose Villeta: el muchacho de sepumo. Aun mas "social animals", Jorge Montilla, Francisco Norat y Gerardo Millan. And there is a lot more, but I'm sick and tired of writing this . . . David Kevane Traxler
